

Bioriginal Food & Science Corp. is the world's leading manufacturer of essential fatty acid products. The company is in search of team players for the following positions:

SENIOR PURCHASING OFFICER

Reporting to the Manager of Purchasing & Logistics, this position is responsible for the purchasing activities that support the company's mandate to provide high quality, cost effective products.

Responsibilities:

- Administer the tendering process with subvendors, toll manufacturers and packaging contractors and evaluate responses to requests and tenders.
- Prepare recommendations and negotiate price, commercial terms and conditions for the procurement of MRO equipment, supplies and services, and Capital Equipment.
- Implement and oversee a supplier review process.
- Initiate a continuous improvement system to reduce costs and maintain or increase quality of procured services.

Qualifications:

- Bachelor degree in Business Administration or Commerce with 3-5 years experience in a business environment.
- PMAC certification required.
- Effective communication and strong interpersonal skills essential.
- Experience on MS Office Suite required; experience on Baan an asset.
- Attention to detail, and excellent organizational skills required.

MATERIALS PLANNER

Reporting to Production Planning, this position is responsible for assisting in implementing the corporate production plan by managing the flow of materials through the supply chain to meet required due dates.

Responsibilities:

- Placing orders with suppliers or subvendors and data entry of product results from all subvendors.
- Allocate inventory to customer orders.
- Planning production of finished products.
- Provide effective communication between corporate departments to ensure timely and accurate flow of information and documentation.

Qualifications:

- Bachelor degree and 3-5 years' materials management experience required.
- CPIM certification an asset.
- Effective communication and strong interpersonal skills required.
- Experience on MS Office Suite required; experience on Baan an asset.
- Attention to detail, and excellent organizational skills essential.

Bioriginal is pleased to offer its full-time employees a competitive salary, as well as a leading edge compensation/benefits package.
