

Brandt Industries Ltd., located in Regina, is currently recruiting for the position of:

## **Corporate Purchasing Manager**

Reporting to the President, the successful candidate will be responsible for the design of a corporate purchasing strategy and to develop and implement consistent purchasing and contract management policies and procedures. You will also work with plant managers, buyers and other related personnel to purchase materials, products and services in alignment with the operational objectives of quality improvement, cost reduction and "on-time" delivery.

To qualify, you must possess a minimum of five years related experience coupled with a CPP designation. Other qualifications include; previous responsibility for team management, proven negotiating skills and strong communication and computer skills.

This position offers a competitive salary and a comprehensive benefit package.

Brandt Industries Ltd. is a growing, dynamic and diverse group of companies that includes; farm equipment manufacturing, custom machining and manufacturing, the design and manufacture of customized attachments and a rail equipment manufacturing division.

More detailed company information is available at [www.brandt.ca](http://www.brandt.ca). Only those candidates selected for interviews will be contacted

Interested applicants are invited to submit a resume and cover letter to:
